4.2. Investigation

- (a) At any time after determining that the Initial Threshold Questions are not satisfied, the Member Organisation may undertake an assessment and may collect further information to determine if an Alleged Breach has occurred.
- (b) An assessment may be conducted in such manner as determined by the relevant Member Organisation in its absolute discretion. The Member Organisation may, on the basis of the assessment, make findings as to whether the Standard of Proof has been met in respect of the Alleged Breach.
- (c) This assessment may or may not involve formal interviews and collection of additional evidence at the discretion of the Complaints Manager.

4.3. Initial Assessment - Disciplinary Action

At any time after determining that the Initial Threshold Questions are not satisfied, the Complaints Manager must determine whether the Member Organisation will:

- (a) Proceed with Disciplinary Action under a Process in clause 5;

- (c) If either of the Initial Assessments are not satisfied, the Complaints Manager must proceed to clause 4.5(b).

The Complaints Manager will ensure that the Member Organisation implements the Provisional Action as soon as reasonably possible.

- (b) Provisional Action includes, but is not limited to, suspension, restriction of duties or temporary redeployment, suspension or restriction of rights, privileges or benefits, or any other action(s) at the discretion of the Decision Maker, including seeking advice from Surfing Australia.
- (c) In the event that Provisional Action is imposed a Respondent may seek to have that decision reviewed only by an expedited hearing convened in accordance with clause 6. - (a) If the Complaints Manager has determined Breach Offer is the most appropriate Process, the Complaints Manager must refer the Alleged Breach to the Decision Maker, who must:
