CLUB and MEMBERSHIP INSURANCE PACKAGE

Affiliating with Surfing Australia and your state branch covers you under our club policy:

- Clubs Insurance policy that covers the committee and membership of the club for **20 million Public Liability** and **10 million Professional Indemnity insurance**.
- Your club's **Certificate of Currency*** is uploaded by your State branch to your club's **JustGO profile** in the **"Credentials"** drop down.

The COC is updated in Early October and when your club affiliates for the new year (2026)

- **Personal Accident insurance** coverage for individuals is ONLY available when you join your State Association.
- To ensure complete coverage as per policy requirements every club should have at least one accredited active official, coach or Judge to ensure that all club competitions and training sessions have the necessary qualified personnel.

A Help
Company

RISE

 SURFING AUSTRALIA

- Access to free surf coaching, judging, and officiating courses for women, creating pathways to develop new skills and become leaders in the sport.
- Opportunities to establish subcommittees that foster inclusive and supportive communities where female surfers can thrive.
- Involvement in specific on-beach training days held across Australia, providing hands-on learning, completion of logbook hours and growth experiences for women and girls.
- Eligibility to apply for the 2026 Women's Development Camp at the Hyundai Surfing Australia High Performance Centre offering advanced skill development, mentoring, and networking opportunities.
- Funding support for boardrider clubs to access equipment and resources that empower them to lead and inspire the next generation of female surfers.

INTEGRITY IN SPORT

Affiliating your club with Surfing Australia means you're joining our commitment to make surfing safe, fun, fair and inclusive for all participants at every level, known as 'integrity'.

Surfing Australia adopted Sport Integrity Australia's National Integrity Framework (NIF) policies to provide all aspects of surfing with a system to proactively mitigate integrity threats.

Here are a few things this means for your club:

- access to integrity complaints management support;
- free education and helpful resources;
- peace of mind for your members and parents of minors;
- and showcasing your commitment to integrity to current and future partnership stakeholders.

See our [Integrity Hub](#) for more details.

GAME PLAN IS DESIGNED TO:

- **Assess a club's capability and performance at a time relevant to them.**
- **Identify areas for improvement.**
- **Provide access to relevant resources to support club development.**
- **Inform the direction and priority of activities and investment to build capability.**

Game Plan is a free online platform that allows sporting clubs of all sizes to get insights into their current capability in key areas of club administration, then supports ongoing club development with a suite of tools and resources. Club leaders access foundation modules on topics crucial for the successful operation of all clubs. Further modules are available to help clubs progress and grow in the priority areas they have identified.

Module assessments are quick and easy and can be completed by the club leader with the most knowledge of that topic. For example, the treasurer completes the finance module. Each module takes between 5 and 10 minutes to complete.

On completion of each module assessment, clubs receive a current maturity level rating, alongside recommendations about how to improve and progress to the next maturity level and supporting resources.

Game Plan

Through this partnership, Surfing Australia and the CPR Group will support Boardrider clubs to build strong and viable organisations, maintain compliance and optimise the surfing experience for everyone involved in our great sport.

On-call governance advice and mentoring, AGM support and guidance, Constitution reviews, Strategic planning, Conflict resolution.

Recent informative webinars:

1. Grant writing and how to negotiate funding opportunities with success
2. Social media and marketing for your club
3. Strategic Planning for your club
4. Club volunteer recruitment and engagement

HOW IT WORKS

A person in need of treatment and support for their depression or anxiety, simply needs to call the White Cloud Tele-Mental Health phone number between 9.00am and 5.00pm, Monday to Friday.

They will firstly speak to one of our client liaison team members who will take their details and schedule appointments with relevant clinicians (a counsellor, exercise physiologist, etc).

These appointments will then take place via video-conferencing or telephone – whatever the client is most comfortable with.

Some after-hours appointments are available.

The frequency and types of sessions provided to each client will be decided on a needs-based assessment.

A client can either self-refer (just pick up the phone and call us direct) or they may be referred to us through one of your Mental Health First Aid Offices or their GP. Referrals can only be made with the consent of a person in need of support.

To access the service, the client does not require a Mental Health Plan.

We also welcome calls from friends and family members of someone battling depression as we recognise that the 'supporters' often need support themselves. We can also equip these friends and family members with strategies on how to assist their loved one.

WHITE CLOUD
TELE-MENTAL HEALTH SERVICE

07 3155 3456

No referral required.
No mental health plan needed.
No need to travel.
No cost to you.
